SPECIAL OCCASIONS

"WHATEVER THE
OCCASION, WE
ALWAYS MAKE IT
SPECIAL"

We love a reason to celebrate at Horwood House. With a £6 million refurbishment, our newly refurbished event spaces, The Eyre, Cook and Columbus Suites are perfect for private events from 10 to 200 guests. Neutral décor and stunning features plus our stunning grounds make for a beautiful al fresco dining experience in the Spring or Summer months!

Built in 1911, the beautiful Grade II listed Manor House is the focal point of our property with two private dining rooms available. The house, lily pond and blossom gardens provide a truly stunning backdrop for our guests and visitors to enjoy, especially a BBQ on the terrace!

Al Fresco Dining

If you're looking for something truly unique and special, why not look to the great outdoors? Our Grade II listed Manor House is a magnificent backdrop for your special occasion and our creative culinary team are ready and willing to wow you with delicious dishes to surprise all the senses!

Afternoon tea amongst the woodland by the magical Well? A beautiful banquet beside the magnificent Lily Pond? We love to think outside the box, and the building.
